To whomsoever it may concern

This letter serves as proof of association between IAESTE India and IAESTE India LC JECRC.

In the conference held on 27th January 2018, PLC JECRC was promoted from Probation LC to Permanent LC, which was decided and voted upon by the National Committee based on the performance of LC JECRC over the past years.

We will be training LC JECRC for their complete transition and look forward to exchange students successfully for technical experience through IAESTE India LC JECRC.

We shall continue to support IAESTE India LC JECRC in its future endeavours.
