# JECRC University

Established with art-of-state infrastructure in the Industrial and Institutional hub of the Pink City of India, JECRC University is driven by the spirit of innovation-led research. This is spelt out in infrastructure as well as practices. The multifaceted research institute encompasses subject-specific exploration as well as contexts of the business environment in which our students will operate and perform. JECRC is known for its strong research culture close industry linkages and corporate connects. JECRC University has been established vide The JECRC University, Jaipur Act, 2012 (Act No.15 of 2012) published in the Gazette of Rajasthan dated May 2, 2012 and the University is approved by UGC. JECRC University has been recently accredited by NAAC (An Autonomous Institution of UGC).

JECRC University has recently been accredited by NAAC (An Autonomous Institution of UGC). It's worth a mention that, JECRC University has achieved this feat in only its 7<sup>th</sup> year of inception. Also among the 76 Universities currently offering graduation and post graduation courses in Rajasthan, JECRC University has become the 21<sup>st</sup> University to be accredited by NAAC. These achievements have opened the flood gates of opportunities for the students studying in various courses in these institutions. The most significant ones are as follows:-

**Student Exchange Program:** After NAAC accreditation the students of JECRC University will now have increased exposure to opportunities of participating in student exchange programs in collaboration with premium universities of India and abroad. This would help the students access greater knowledge about the differences in the cultural, geographic and financial paradigms along with the varied teaching pedagogy.

**Placements:** The students of JECRC University will now be eligible for placements in such multinational companies that only collaborate with NAAC accredited organizations for conducting campus placements.

**Foreign Education:** The students will also get preference in the screening of applications submitted to premier universities of U.S. U.K. & Australia.

**Easier Access to Govt. Grants:** With NAAC accreditation, students of JECRC University will witness a dramatic increase in the acceptability of their research projects for funding by government agencies like DST, AICTE & DRDO.

# Second Convocation

and many more...

placements at JECRC University have proven to be a boon in the career of all the students. JECRC University students get opportunities across a wide range of industries and companies visiting the campus every year with attractive salary packages and profiles to match students' expectations.

Once the placement season commences, one can feel the vibrant environment on the campus. Talents go barely unrecognized in the JECRC University as we leave no stone unturned, to place our students.

At present, the competition for employment is increasing every day and placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, development of a holistic personality is also necessary. To meet out these requirements, a fully fledged training cell is operating in our University to enhance the capabilities of students on par with the industry standards.

## TRAINING & PLACEMENT

## INTERNSHIP

Internship programs develop students' overall maturity by strengthening resourcefulness, problem-solving skills, self confidence, self-discipline and sense of responsibility. The JU fraternity undeniably believes that interning not only enhances students' training and allow them to gain skills but it also makes them a better employee by giving them self confidence that is often a prerequisite in the workplace. Also, Students who already have some work experience in the form of an internship stand out to potential employers.

Directorate of Internship at JU conducts Internship drives in campus and around (number of internship compensation i.e. get stipend. Throughout the internship drives, prestigious and renowned companies are invited to hire students for internships. These drives provide students a niche to express them in the best way and improve upon their knowledge for getting selected for internship.

The success story of this rigorous and well planned practice is well stated by the statistics which clearly shows that 100% students got internship for consecutive 4 years. Eighty one (81%) students got stipend based internship with stipend. Around 53% of the internship got converted into full time job offers at the end of the internship based on students' performance.

Glories of Internship cell at JU are heightened by students getting International Internships. JU aims at getting internship for its students at the top most organizations not only in India but also abroad. Adding few more feathers to the cap, few students of JU got international internship with stipend up to seventy thousand rupees (70K). JU leaves no stone unturned to give students wings, strength and opportunity to soar high in the sky.

## INCUBATION & INNOVATION ECO-SYSTEM

### Startups in E-Cell

Entrepreneurship Cell coordinates and leverages the synergies in various strands of excellence driving innovation and entrepreneurship at JECRC University, Jaipur consisting of cutting edge research, industrial interactions. E-Cell supports Students, Faculty, staff & Alumni of JECRC University and External entrepreneurs (R&D partners to JECRC University) in creating successful Tech Startups, disrupting technologies & translating benefits to the society at large. E-Cell will leverage these experiences and give entrepreneurship a stronger push as well as serve to coordinate and promote innovation-driven activities at the institute.

E-Cell seeks to nurture technology and knowledge based ventures through their start-up phase by providing the necessary support to help entrepreneurs survive in the competitive market and reach a stage where they can scale-up their ventures further. The JU aims to build and share resources including space and infrastructure, access to business support services, mentoring, and training programmer to enhance the skills of entrepreneurs and seed funds. The scope of support is broad based, and covers technologies/IP developed wholly at the Institute or partly through collaborations elsewhere, as well as external start-ups with which E-Cell members are associated as consultants or mentors. JECRC University is currently active and incipient dedicated incubators such as BBI will work with the incubates to take technologies to the mature stage.

E-Cell started operations at JECRC University from November, 2016, where, in addition to existing 5,000 sq. feet space allocated for incubation in Phase I, an additional 10,000 sq. feet is available for this purpose in Phase II (operational since 2016). # ALUMNI

At JECRC University, we build a lifelong bond with the students. JU Alumni Association exist to support the motive of the University and serve as a bridge between the Alumni and the University. We provide diverse and quality programming for Alumni as well opportunities for them to build a network of friends with over thousands of alumni who have achieved great success in their careers. Many of our alumni have taken the path to become entrepreneurs. They have now become job creators rather than job seekers. They are highly successful in their endeavors.

The objective to form the JU Alumni Association is to transforming the idea of life from the individualism to unification and to create the opportunities where the alumni can contribute and share seamlessly. Their vision is to help the fellow members, share and influence, with what they have achieved and can do. Meet & Greet is one such program where notable alumni are invited to share their experience to make the current student ready to understand the challenges in real world, along with Annual Alumni Meet we conduct various events like JU Reminiscence (Alumni v/s Faculty Cricket Match), JU Club Alumni Meet, counselling sessions by Alumni etc.

The Alumni Association has a portal where alumni can get registered their self at [www.jualumni.in](http://www.jualumni.in) and get benefitted by having all the updated information, Job Opportunities other guidance for their overall growth. [The JECRC University Alumni Association is a Registered Association under 'the Rajasthan Societies Registration Act, 1958'; Registration No., 101539]

# SOCIAL INITIATIVES

At JECRC Foundation, we believe the growth of the nation is deeply imbibed in growth of all sections of the society. It is the youth of the nation which form the most important pillar of any society. For the growth of society, it is the moral duty of every student to gather wisdom and knowledge and pass in on to the less privileged members of society.

To strengthen these beliefs, students of JECRC University have initiated various student run social service groups. During last five years more than 300 students are actively involved in the activities of social groups across Zarurat and Aashayein. In same contest nearly 1000 students from foundation plays very important role in causing social change. In this quest we are honoured to have the mentorship of Nobel Laureate Mr. Kailash Satyarthi and Ramon Magsaysay Awardee Anshu Gupta.

# INFRASTRUCTURE AND FACILITIES

## Residential Facilities

On-campus residential facility for students has been very thoughtfully designed and planned. Each unit in the JU Hostel Complex allows privacy and personal space to a student while giving a chance to live together and foster comradeship. Just as in apartment, three / four private, single occupancy rooms open into a common living room equipped with a television set, internet access and a pantry making it a complete independent unit. The hostels are air-conditioned, comfortable and conducive for the students to have a productive campus life, providing a perfect setting for academic pursuits.

## Sports Facilities

The University has provided for sports enthusiasts a well equipped Gymnasium, Football ground, Basket Ball court, Volley ball court, Badminton court and indoor facility for Table tennis. The University is member of Association of Indian Universities and its teams participate in various national and international tournaments. The University has also prepared a comprehensive sports development plan for all round personality development of its students. The proposed Sports Complex planned at the campus will reverberate with energy and will inspire students to challenge themselves. Spread over two floors the Complex will house indoor courts and zones for badminton, basketball, and table tennis besides a recreational area. additionally with a gymnasium. University also provides professional guidance and coaching for specific sports for interested students.

## Mess and Cafeteria

The double storied Students' Mess next to the hostel complex offers excellent multi-cuisine food to the campus residents. The centrally air-conditioned dining area is supported by Kitchen, Mess and cafeteria. The complex also envisages to house convenience stores to meet the daily needs of the residents. The residential facility is comfortable enough to ensure that students don't feel that they are away from home.

## Transport Facility

The University has its own fleet of buses for the students and faculty which covers the entire city of Jaipur. The campus is well connected to all parts of the city through public transport and has close proximity to other urban conveniences.

## Library

The JU Central Library is the academic lifeline of the University. The library is open for twelve hours a day and accommodates a large number of students in its reading and referencing halls. The University has gone ahead in making the concept of digital library functional with availability of digital content to enhance the first hand knowledge of the students.

## Medical Facility

The University has a first aid centre and has an arrangement with hospitals nearby. 24\*7 JU ambulance is available to attend in case of emergency.

## Gymnasium Facility

The University has provided, a well quipped gymnasium, separately for both Girls and Boys in their hostels.

## SPECIALIZED RESOURCES

JECRC University aims at holistic development of individuals and the society at large. The University is a large dedicated community in pursuit of knowledge. Our students are taught by academicians who are both world class teachers and researchers. Clubs and associations give the students an opportunity to pursue their interests and hobbies. They are encouraged to participate in cultural, social and sports activities while pursuing their academic programmes.
