

Minutes of the meeting of the Board of Management held on 15th July 2012 to decide about the courses to be run in the University in different faculties of the University.

Following members of the Board of Management except Dr.Pooranchand, whose leave of absence has been granted, were present.

1. Shri O.P.Agrawal (Chairperson)
2. Shri Amit Agrawal (Member)
3. Shri Arpit Agrawal (Member)
4. Shri M.L.Sharma (Member)
5. Dr.S.N.Gupta (Member)
6. Dr.Pooranchand (Member)
7. Shri S.L.Agrawal (Member)
8. Dr.Widhi Dubey (Member)
9. Dr.Sapna Sharma (Member)
10. Dr.D.P.Mishra (Member Secretary)

There had been intense deliberation to finalise as to which courses, the JECRC University will be running in the Academic Year 2012-13.

Resolution No - 1

Resolved that following three will be the faculties to be started in the Academic Year 2012-13.

1. Faculty of Engineering
2. Faculty of Science
3. Faculty of Management

Resolution No – 2

Resolved that the faculties mentioned in Resolution No-1 will have the courses mentioned against each of it as given below.

1. Faculty of Engineering

(A) Bachelor's Programmes

- (i) B.Tech in Civil Engineering
- (ii) B.Tech in Computer Science
- (iii) B.Tech in Electrical Engineering
- (iv) B.Tech in Electronics and Communication Engineering
- (v) B.Tech in Mechanical Engineering

(B) Master's Programmes

- (i) M.Tech in Computer Science and Engineering
- (ii) M.Tech in Software Engineering
- (iii) M.Tech in Digital Communication
- (iv) M.Tech in VLSI Design
- (v) M.Tech in Production Engineering
- (vi) M.Tech in Thermal Engineering
- (vii) M.Tech in Energy Management

2. Faculty of Science

The various group combinations offered will be as follows for B.Sc Admissions

Group 1: Chemistry, Zoology, Botany

Group 2: Mathematics, Statistics, Physics

Group 3: Mathematics, Chemistry, Physics

Group 4: Mathematics, Statistics, Chemistry

Group 5: Chemistry, Botany, Biotechnology

Group 6: Chemistry, Botany, Microbiology

Group 7: Chemistry, Zoology, Biotechnology

Group 8: Chemistry, Zoology, Microbiology

The various M.Sc programmes offered will be as follows:

1. Bio-technology
2. Microbiology
3. Zoology
4. Botany
5. Chemistry
6. Physics
7. Mathematics
8. Statistics

3. Faculty of Management

The various specializations offered by JECRC University for MBA admission 2012:

- (i) MBA in Finance
- (ii) MBA in Marketing
- (iii) MBA in Human Resources Management
- (iv) MBA in Information Technology
- (v) MBA in IT

Executive MBA Degree in Management

Programmes:

- I. Executive MBA Degree – Finance
- II. Executive MBA Degree – Marketing
- III. Executive MBA Degree - Human Resource Management
- IV. Executive MBA Degree – Information Technology

Executive MBA Diploma in Management

MBA – General Management

Integrated (B.Tech & MBA) Dual Degree Programme

JECRC University offers 5 years Dual Degree Programme in Engineering and Management stream. The Dual Degree programme is a specially designed course having the following branches:

B.Tech & MBA

Duration : 5 years

B.Tech in Civil Engineering/Computer Science/Electrical Engineering/Mechanical Engineering/Electronics & Communication Engineering.

MBA in Finance/Marketing/Human Resources/Information Technology

Ph.D programmes will be offered in all the faculties.
