Item No.1:

The University has sent an application for introducing a 5 year Full Time B.Arch Degree Course to the Council of Architecture.

One of the requirements for them is that minimum of two acres of land should be allotted to the School of Architecture for the physical and academic infrastructure for imparting B.Arch Course.

In the light of the above requirements it is resolved that two acres of land is allotted in the campus of JECRC University Jaipur to School of Architecture for its physical and academic infrastructure as per norms of Council of Architecture.
