Date: 26th April 2024

Scholarship Policy for Ph.D. Research Scholars

Purpose

This policy aims to assist promising Ph.D. research scholars by providing financial support for conducting research at JECRC University. The policy is designed to help young scholars enhance their knowledge, gain new skills, work with additional resources, and network with other professionals in their field.

Objectives

1. To assist JU researchers in enhancing the quality of their research.
2. To enhance its research productivity through high-quality scientific publications, technology transfer, and expansion in cutting-edge fields of current demand, JECRC University aims to broaden its research area through this policy.
3. To assist them financially to meet their day-to-day consumable needs related to their research.

Nature and Duration of Support

1. Two scholarships of Rs. 20,000/- each, per department per year will be granted.
2. A department shall not have more than two fellowships in one academic year.
3. The duration of this scholarship will be three years from the date of Registration.

Eligibility

1. Applications will be invited from the research scholars of the department. The applicant must have 75% or above in his/her Post Graduation.

2. The Department Research Committee(DRC) will examine the applications for suitability and the shortlisted applicants will be called for personal/online interviews.
3. Scholars will be selected based on their interview and the anticipated outcome of their research. The DRC will submit its recommendations to the Dean of the concerned school.
4. The dean concerned will forward the cases to the President through the Dean(Research) for final approval.

Important Points

1. This Policy will be implemented from the next batch viz. July-2024.
2. The concerned Department Research Committee will be responsible for the administration of Fellowships to ensure compliance with the University regulations and policy.
3. Scholarship shall be subject to timely submission of Ph.D. Progress Reports by the scholar.

Termination of Fellowship

1. The duration of this scholarship will be three years from the date of Registration.
2. Scholarship may be terminated at any time if the scholar is found indulged in any unethical research practice. The DRC can recommend the case for the same, which will be taken care of through the research board.
