- Contribute towards building a socially sensitive, humane, inclusive society
- Cultivate critical thinking that can spark creativity and innovation

## **The International Charter of Physical Education and sport, UNESCO, 1978**

Every human being has a fundamental right of access to physical education and sport, which are essential for the full development of his/her personality. The freedom to develop physical, intellectual, and moral powers through physical education and sport must be guaranteed both within the educational system and in other aspects of social life".

"Encouragement and development of Sports is a national priority. It promotes active life style, communal harmony, helps in development of child and youth, provides social inclusiveness, creates employment opportunities, harbours peace and unity, and above all inculcates a sense of belongingness and national pride.

A sport is one of the priority area identified in the 'National Youth Policy 2014'. The National 'Comprehensive Sports Policy' aimed at securing the objective of unleashing a new wave of sports consciousness and sports development by involving all stakeholders in launching a nationwide movement of youth in sports.

It emphasized on Sports for All apart from Universalizing sports facilities in educational institutions in Rural and Urban areas, Youth development through mass participation in sports, advocacy of benefits of sports, promotion of indigenous sports, promotion of sports among young girls and women, sports for persons with disability, sports and physical exercise for senior citizens, and for excellence in sports.

In continuation to the objectives of the National Comprehensive Sports Policy, it is felt that a sports policy is needed for the smooth administration of the sports activities of the University. The Sports Policy of JECRC University is built on the belief that Physical Education and sports serve in developing the social, mental, physical and intellectual dimensions of an individual, and by doing so it enables the individual to contribute on a sustainable basis to the development of the University, State and the Nation. When the sports culture permeates every student of the University, the objective of achieving excellence in sports would be a reality and become a way of life. Hence, a Comprehensive Sports Policy has been evolved to provide guidelines for effective administration and promotion of sports in the University to achieve the desired objectives.

**VICE-CHANCELLOR**  
JECRC UNIVERSITY

“I am happy to note that the Department of Physical Education is planning to publish the Sports Policy, which has been adopted by JECRC University. JECRC University is the first Private University in Rajasthan to adopt a definite policy as far as sports is concerned. It is the result of our experience, our concern for the well being of the sports persons and our commitment to promote sports and physical activities with infrastructures and incentives. The sports policy is also the product of the collective thinking among the experts in the various fields of games. This policy aims at bringing about integration between sports activities and education, and also mind and body. It also contains a set of objectives and goals to be achieved in the sports arena. It not only launches a hunt for talents, but also strives to motive achievers. The creation of infrastructure and popularization of physical education as one of the subjects of study occupies a prominent position in the policy. One of the inspiring features of the policy is to help students interested in physical and sports activities to participate whole heretedly in events of their choice. by giving them enough concessions in attendance, by providing grace marks, financial aid, leave, allowance, etc. In suru, it may be said that it is a road map for the development sports in JECRC University, which has been excelling at the state and national.”

Competitions on regular basis. I hope the policy will be adopted by the institutions affiliated to our University and make it a meaningful guiding principle.

I wish the endeavour all success

## **MESSAGE**

As envisaged in the National Education Policy, JECRC University has evolved many programmes over the past two decades to promote sports and athletics in the constituent college. Such endeavours of the University have yielded many AIU/ Zonal / Inter University participants. In an effort to further strengthen the commitment, JECRC University has emerged as the first University in the State to implement the 'sports policy' further. JECRC University is all set to publish a book to spread the sports policy. National Youth Policy (2014) has recognized sports as one of the first priorities.

I wish "University Sports Policy and Guidelines" presently being published will be greatly appreciated among sportsmen and enthusiasts.

**JECRC University, Jaipur**

The University which bears the responsibility of training and equipping sportspersons of affiliated educational institutions to enter the sporting world has recently acquired a full-fledged athletic track and Indoor Sports Complex. Along with these facilities the need of the hour is a modern fully equipped fitness centre. This can double up as a sports science facility to identify, evaluate, monitor and nurture students with a potential for excellence in sports, and provide scientific backup to the rigorous training of their wards in the sports field by Physical Education Directors and coaches. Nowhere within the jurisdiction of Mangalore University does such a facility exist which can cater to sportspersons and provide them the necessary scientific support. Hence, it is imperative that Mangalore University, which has been accredited with "A" grade by the National Assessment & Accreditation Council, should equip itself with such a facility and contribute to the progress of the sporting prowess of the university, state and nation.

### **Method of drawing fixtures.**

Sequence of Steps Regarding Drawing of Fixtures for JECRC University Inter-collegiate Competitions.

1. From the entries received, take out last year's Winners, Runner-up and losing semifinalists. (Four teams).
2. Draw a serial order equal to the number of the entries.

3. Calculate the number of 'Byes' to be given on the basis of number of entries referred at Sl. No.2 above.
4. Place the (a) Winners of the previous year at the bottom. (b) Runners-up of the previous year at the top.
5. The previous year's losing semifinalists to be Cross seeded ie. the loser to the last year winner is to play in the same half of the last years Runners-up and Vice-versa.
6. In case the two semifinalists the previous year's winner and the loser to the Runners-up or Vice-versa fail to enter their teams in the tournament, then the other two semifinalists ie., the Runners up and loser to the winner shall be placed in the different half. Where either of the winners, runners up or losing semifinalists do not enter their team in the corresponding inter-collegiate tournament, the team that lost to the dropping out team in the previous year's quarter final as may be the case should be given the seeding. If there is no record of preliminary results of the previous year's tournament the convener is given the right to seed any other team which he feels is deserving.
7. Mark the serial number where the colleges in 'Bye' are to be placed other than those mentioned at Sl.No.1.
8. Take out the Draw for the Colleges not getting 'Bye' and place them in the necessary serial order.
9. If the number of entries is eight or less, the draw of fixtures shall be divided into two halves.
10. If the number of entries is more than eight, the draw of fixtures shall be divided into four quarters.
11. Order of giving 'bye' is 4-2-3-1 system.
12. All these rules are applicable even to the zonal matches.
13. In case of the two phase tournaments, if the four semi-Finalists in the preliminary round of the previous year are participating in the preliminary round in the current year they shall be given the same seeding as mentioned above.

A specimen copy of the fixture is given in Appendix - I
