

JECRC UNIVERSITY
Office Order

Subject: Mandatory Use of Helmets for Two-Wheeler Riders

It has been observed that several students, staff members, and visitors using two-wheelers are not adhering to road safety norms by riding with helmets.

In the interest of safety and discipline, the following instructions are hereby issued with immediate effect:

1. **JECRCians : Wearing of helmets is compulsory** for all riders and pillion riders on two-wheelers at all times while entering or moving within and outside the JECRC University premises.
2. **Parking of two-wheelers is permitted only in the designated parking areas outside the campus.** Security guards managing these parking areas shall **not allow parking of any two-wheeler** if the rider or pillion rider is not wearing a helmet.
3. If any student, staff member, or visitor refuses to comply with the helmet rule, the concerned parking security guard shall immediately **inform the Security Guard and the Security Officer at the Main Gate**, who shall ensure that **entry of such persons into the JECRC University campus is restricted.**
4. In case of violation by students or staff, the Security Personnel are further empowered to **seize the University ID card** of the violator and report the matter to the Registrar's Office for disciplinary action as per University norms.
5. **Repeat offenders** among students and staff may face stricter action, including **suspension of entry into the University campus for a specified period, cancellation of vehicle entry or parking permission, or any other action deemed appropriate by the University authorities.**
6. Visitors found violating the above rules shall be denied entry into the University campus.

All concerned are required to strictly comply with these instructions in the interest of their own safety and the safety of others.

This order comes into force with immediate effect.
