INFORMATION BROCHURE-2026

Dear Students,

I take this opportunity to extend warm welcome to all admission seekers and their parents who have decided to seek admission in JECRC University, Jaipur for the Academic Session 2026-27.

JECRC Foundation, having two renowned Higher Education Institutions namely Jaipur Engineering College & Research Centre, Jaipur, established in the year 2000 and JECRC University, Jaipur, established in the year 2012, has established itself as a brand to reckon with not only in India but abroad as well. With more than 34000+ Alumni spread across the globe and 26000+ active students on rolls. JECRCians have left an indelible mark on the canvas of higher education and corporates.

We are committed to provide highly conducive academic and research environment at JECRC University with a large number of activities beyond class rooms to ensure overall development of their persona so that they not only evolve as incredible professionals but also responsible citizens and better human beings.

Indian Education System is passing through revolutionary transformation because of the National Education Policy – 2020 notified by the Ministry of Education, Govt. of India in July-2020. This vision document is highly exploratory and focuses on reviving ancient education system followed in India consisting of Gurukuls and World renowned Universities including Nalanda, Takshila and Dharamshila. JECRC University has already implemented the best practices as envisaged in the NEP-2020 in terms of curriculum design, flexibility including multipoint entry and exit, Indian Knowledge System etc. The focus of JECRC University for students is to ensure learning to learn, unlearn and relearn and lifelong learning so that they could evolve as globally competitive professionals.

Swami Vivekananda had said that "Learn Everything that is Good from Others, but bring it in, and in your own way absorb it; do not become others." These words of wisdom are timeless in nature and must be heeded to by all the learners.

I invite you to explore the corridors of JECRC University which will give you the glimpse of a perfect future.

Come, join and give shape to your dreams.

Best Wishes!

O. P. Agrawal

Choosing a right University for taking admission in a degree program is quite an arduous task for students and their parents specifically when they are taking admission in undergraduate degree program. You are taking a huge risk and putting your future career at stake if you end up in choosing a wrong University. Hence students and parents do a lot of homework and research before they consider a University as their Alma matter for next couple of years. As you are reading these lines, we understand that you have done your homework pretty well and have decided to put your faith in us for your training and development in the coming years. JECRC University is known for keeping the promises which it makes to the students and their parents in term of state-of-the-art infrastructure, qualified and committed faculty, serene and academically conducive environment, innovation led research culture, incubation and startup eco-system, beyond the classroom engagement etc. Attractive campus placement is the natural corollary for all students who remain committed to learning. JECRC University has become a brand to reckon with in last eleven years at national level and therefore attracts best faculty members and students.

We, at JECRC University strongly believe that when a student graduates from a University, there must be an affirmative change in her/his knowledge, skills, behavior and attitude in such a manner that she/he is prepared in take the work responsibility at the employer's end head on. The entire teaching learning eco-system in JECRC University has been designed keeping this principle in mind. The above conviction is strongly reflects in the curriculum, and out side the class activities. There is a complete focus on outcome based education and project based learning. Once you take admission in JECRC University please be assured that you will be on the right track of your career- building, provided you are committed and career-oriented. I can assure you that you will enjoy your journey with us and achieve whatever goals you set for yourself.

There is a Sutra in Vishnu Puran: सा विद्या या विमुक्तये । It means that Vidya which closely represents wisdom in English is that which liberates from ignorance. It is different from Education which leads to Knowledge and Skills. In Indian Knowledge System, Education Institute is called विद्यालय which focuses more on विद्या (Vidya) than knowledge and skills. At JECRC University, we strongly believe that विश्वविद्यालय (University), you acquire wisdom and attain विद्या (Vidya) which liberates you from ignorance and makes you a competent professional, better human being and responsible citizen. We also strongly believe that a university is a Controlled Failure Lab where you learn from your failures without being punished.

I welcome you to JECRC University for the quest of विद्या (Vidya). Come and build your world.

Prof. Victor Gambhir
President

26 years and beyond...

"A legacy of excellence is built one step at a time, and at JECRC, every step is transformative."

Jaipur Engineering College & Research Centre

For over two decades, JECRC Foundation has been at the forefront of redefining higher education in India. Established in 2000-2001 under the **National Society for Engineering and Research Development (NSERD)**, the foundation laid its academic roots with **Jaipur Engineering College & Research Centre (JECRC)**-a pioneering self-financed private engineering institution approved by AICTE and the Government of Rajasthan. It was the beginning of a transformative journey, shaping generations of students into leaders, innovators, and changemakers.

JECRC University

Established under the JECRC University Act, 2012, and recognized by the UGC, JECRC University is a beacon of academic excellence and innovation. With NAAC accreditation and a robust industry-academia interface, JECRC is poised to shape the leaders of tomorrow.

JECRC Medical College Hospital & Research Centre

A Commitment to Excellence in Healthcare & Education

For **25 years**, JECRC has been at the forefront of education and innovation, shaping the future of thousands of students. Now, we extend this legacy to healthcare, fulfilling our commitment to community service with the establishment of **JECRC Medical College Hospital & Research Centre**. JMCHRC is not just a medical institution-it is a mission to transform **healthcare education, research, and patient care**. With cutting-edge infrastructure, advanced medical technology, and an expert team of healthcare professionals, we aim to make JMCHRC **Rajasthan's largest private healthcare initiative**, dedicated to providing quality medical education & world-class healthcare services.

A Hub for Advanced Medical Research & Training

JMCHRC is not just a hospital-it is a center of research and learning, fostering the next wave of medical breakthroughs. We prepare students for real-world medical challenges while driving healthcare innovation, providing,

Dedicated research units in Radiation Oncology, Nuclear Medicine & Cardiology

Skill Lab for simulated training, ensuring hands-on clinical experience

Orientation '25

Rajasthan's Largest Orientation Ceremony

JECRC University commenced the academic year with **Orientation '25**, Rajasthan's largest and most impactful orientation ceremony, marking a grand beginning for **7,000+ freshmen**. With an overwhelming presence of **10,000+ attendees**, the multi-day celebration set a powerful tone of inspiration, ambition, and community for the newest members of the JECRC family.

An Unforgettable Lineup of Distinguished Guests

The distinguished opening-day guests included:

- **Shridhar Vembu**, Founder of Zoho Corporation, who inspired students with his journey of innovation, self-reliance, and nation-building through technology.
- **Atul Sahgal**, whose address highlighted leadership, communication, and resilience in the evolving professional world.
- **Ashwin Sanghi**, renowned author and storyteller, who captivated the audience with his thoughts on creativity, discipline, and intellectual curiosity.

A Week of Motivation, Learning, and Inspiration

Notable guest speakers included:

- **Raj Shamani**, who energized students with lessons on entrepreneurship, mindset, and personal branding.
- **Lucky Bisht**, whose inspiring life journey encouraged discipline, courage, and self-belief.
- **Subedar Major Sanjay Kumar**, whose words on patriotism, resilience, and sacrifice left a profound impact on the audience.
- **Gaurav Taneja**, who spoke about balance, perseverance, and authenticity in both personal and professional life.

Cultural Evening – A Celebration of Talent

As the celebrations unfolded, the Cultural Evening emerged as a vibrant showcase of student creativity and expression. Freshmen and senior students alike took the stage, presenting an electrifying blend of dance, music, drama, and artistic performances that reflected the diversity and cultural richness of the campus. A special highlight of the evening was the **live performance by the renowned Nameless Band**, whose energetic music created an unforgettable atmosphere, bringing students together in celebration and unity.

"Orientation '25 was the perfect beginning to my journey at JECRC. The speakers inspired us to think bigger, and the cultural evening made us feel truly connected as a community. I feel motivated and excited to be part of such a vibrant university."

9th Convocation Ceremony

3rd January, 2026

A Star-Studded Ceremony : Honoring the Best of JECRC

JECRC University marked its **9th Convocation** with a grand and dignified ceremony celebrating academic excellence and holistic success. **Chief Guest Prof. Achyuta Samanta**, Founder of KIIT, KISS & KIMS and Former MP, shared valuable insights from his experience in public life and institution-building.

Distinguished Guests of Honor

Ms. Revathi Mannepalli, Joint Wireless Advisor, GOI the **Guest of Honour** for the occasion added further distinction and intellectual depth to the 9th Convocation Ceremony of JECRC University.

The Presidential Address

The Presidential Address was delivered by **Shri O. P. Agrawal**, Hon'ble Chairperson of JECRC University, who inspired the graduating students with his visionary and thought-provoking message.

The Annual Report of Session 2024-25

Prof. Victor Gambhir, President, presented the Annual Report 2024-25, highlighting the University's major academic, research, and institutional achievements, along with key milestones and progress across teaching, research, infrastructure, student success, and outreach.

The Honor is Causa this year

On this auspicious occasion, **JECRC University** conferred the prestigious **Degree of Doctor of Philosophy (Honor is Causa)** upon the **Chief Guest, Prof. Achyuta Samanta and the Guest of Honour, Ms. Revathi Mannepalli** in recognition of their exceptional contributions, distinguished leadership, and exemplary service to the nation and society at large.

Convocation- दीक्षांत

Degrees Awarded : A Moment of Pride

JECRC University announced new alumni engagement initiatives, including mentorship programmes and exclusive networking platforms. The Convocation reaffirmed the University's commitment to nurturing graduates with strong values, leadership skills, and a global outlook for lifelong success.

Closing Remarks: A Unified Celebration

Prof. Sanjay K. Sharma, Dean (Research) and Convener, Convocation 2026, delivered the Vote of Thanks, expressing gratitude to all dignitaries, university leadership, faculty, staff, students, and stakeholders for making the convocation a success.

A New Chapter Begin...

The 9th Convocation of JECRC University celebrated graduates' achievements while honouring their dedication to knowledge, research excellence, and societal contribution. The University proudly remains a lifelong partner in their journey.

Internship

From Campus to Corporate

At JECRC University, we believe in transforming academic potential into professional success. Our internships ensure that students are not just prepared for the workforce but are leaders within it. With over **100 recruiters** visiting annually, JECRC continues to build a strong network of corporate connections, creating abundant opportunities for students across disciplines.

Why Internship ?

Internships serves Practical application of knowledge, Skill Development, Industry Exposure, Networking, Exploration of Career paths, Personal and Professional growth, Mentorship and guidance from expertise. Most employers are reluctant to hire someone who's never worked before and internship provides a solution to it by providing are at work place experience where students get an opportunity to work on live projects.

JECRC University emphasizes experiential learning through a **mandatory four-month internship across all disciplines**. Students work with leading organizations, apply classroom knowledge to real-world challenges, and build professional competence. A strong track record of **internship-to-PPO conversions** reflects the industry relevance of our programs.

JECRC Incubation Centre (JIC)

Nurturing Innovation & Entrepreneurship

The JECRC Incubation Centre (JIC) is an entrepreneurial hub that supports startups and nurtures innovation by providing mentorship, funding, technological guidance, and industry connections. As a leading incubation centre in Rajasthan, JIC empowers students and entrepreneurs across sectors like **EdTech, ICT, E-Commerce** and **AgriTech** through a structured startup policy, co-working spaces, and growth opportunities.

JIC Startup Ecosystem & Impact

- **100+** Startups incubated across EdTech, ICT, AgriTech, and more.
- **₹30+ Crore** in government grants secured.
- **₹8.4+ Crore** funding disbursed to startups.
- **₹35+ Crore** in external funding raised from angel investors, VCs, and government grants.
- **₹25+ Crore** cumulative revenue generated by incubated startups.
- **500+** jobs created, contributing to economic growth.
- **12+** industry tie-ups & strategic partnerships with leading accelerators and investment firms.
- Recognized under **MeitY Startup Hub, and SISFS Schemes.**

Comprehensive Support for Startups

- **Mentorship & Industry Guidance**
- **Funding & Investment Assistance**
- **Co-working & Physical Infrastructure**
- **Accelerator Programs**
- **Service Partner Tie-ups**

JIC Accelerator Program

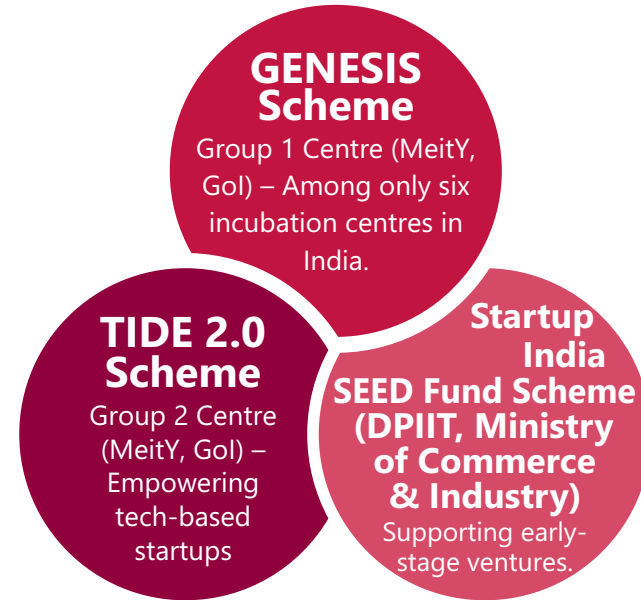

A flagship 3-month intensive program designed to refine business strategies and accelerate growth.

7 successful editions Completed.

39 startups identified & Nurtured.

₹27 Lakh funding disbursed from internal corpus.

National & Government Recognitions

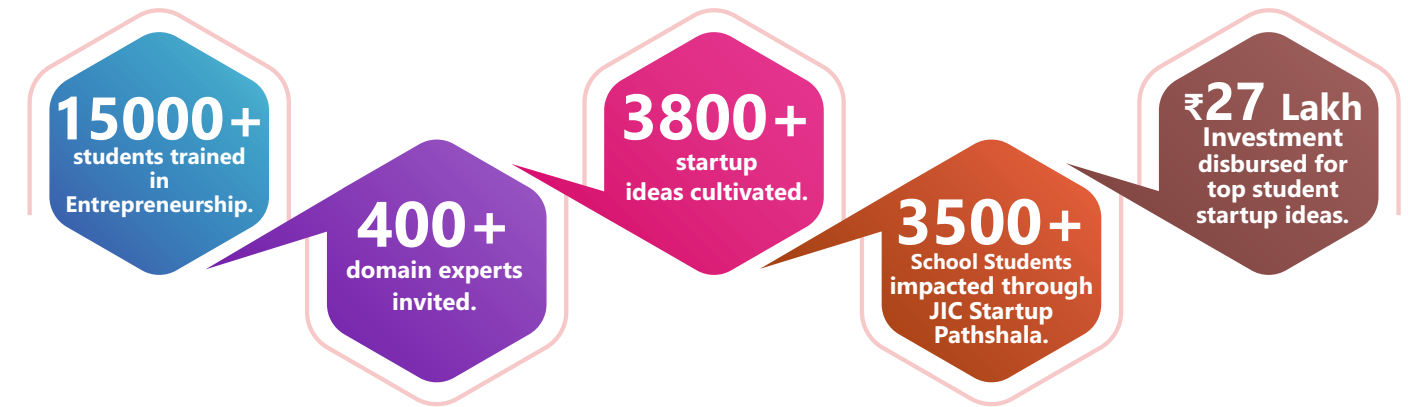

JIC's Prestigious Industry & Investment Partners

JIC Student-Oriented Programs

- **JU Startup Pathshala** – (To identify top **15 Junior CEOs** from the State of Rajasthan)
- **Entrepreneurship Development Program** – (This program equips students with essential entrepreneurial skills)

JIC's Landmark Events & Activities

- **National Ecosystem Expansion through T-Hub Partnership**
- **Industry-Academia Bridge with Zoho**
- **JIC Incubator Confab 2025**
- **Flagship Accelerator Demo Day**
- **Orientation Programme 2025 – Thought Leadership by Sridhar Vembu**
- **Orientation Programme 2025 – Digital Entrepreneurship by Gaurav Taneja (Flying Beast)**
- **Rajasthan's Biggest Funding Opportunity**
- **Entrepreneurship Development Program (EDP)**

Why Join JIC ?

- Rajasthan's first academic incubator with a structured Startup Policy.
- 30+ Crore in funding for student entrepreneurs.
- Strong industry partnerships with top accelerators & VCs. Real-world training to scale businesses.

Join the JECRC Incubation Centre and be part of India's next startup revolution

Global Corporate Connection

Strategic Collaborations with Industry Leaders

JECRC University recognizes the rapid changes in technology and industry dynamics influenced by factors like unresolved technical challenges and evolving societal needs. To equip students with cutting-edge skills, JECRC University has established partnerships with renowned global organizations across various domains. These collaborations enable us to bridge the gap between academics and industry, fostering innovation and knowledge exchange.

Corporate Partners

Google Cloud, Microsoft, Amazon Web Services (AWS), Hewlett Packard Enterprise (HPE), Tech Mahindra, TCS, IBM, Cisco, Salesforce, Automation Anywhere, UiPath, EC-Council, DXC Technology, ISDC, Xebia, Samatrix, Bajaj Finserv, Manipal Hospital, Narayana Hrudayalaya Hospital, Intel, MongoDB, Sherlock Institute of Forensic Science, Honeywell, Oppo, AU Small Finance Bank, BITS-Pilani, NISM by SEBI, MG Motors, Ultratech Cement, Indira IVF, Deloitte, Capgemini and more.

Global Impact of Corporate Collaborations

- **250+ Faculty Trained:** Over **250 faculty members** have benefited from sessions with industry experts from **40+ leading companies** over the past five years, gaining knowledge in advanced technologies like **Cloud Computing, AI/ML, Robotics, Cybersecurity, DBMS, Internet of Things, Salesforce, and more.**
- **10,000+ Students Transformed:** Through innovative programs, joint degrees, and certifications, JECRC has impacted over **10,000 students**, preparing them for global careers.

Programming & Coding @ JU

JECRC is committed to promote innovation and out-of-the-box thinking in young minds. This aspiration is achieved by conducting innovative activities and different types of Hackathons to promote coding culture in the campus.

Celebrating Excellence: Flagship Events and Milestones

Smart India Hackathon is a **nationwide 36-hour Hackathon** which is an initiative to provide students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving.

JECRC University promotes a strong coding culture through internal Hackathons like JU Hack Quest and by hosting major events such as the SIH-2025 prelims, which saw participation from 3100+ students. The university has been a nodal centre for Smart India Hackathon, including an interaction with **Honorable Prime Minister Shri Narendra Modi** in SIH-2020. JECRC University's Girl Team Phoenix (CSE) also won first prize of ₹1 lakh at the New Delhi nodal centre for solving a Ministry of Power problem.

JECRC University celebrates yet another milestones Team Social Pixelators secured First Prize at the Service Now University AI **Hack Now – India 2025**, part of the **Service Now University AI Skills Summit** in collaboration with **Deloitte**.

Competing against 1,600 teams nationwide, our students developed an innovative **Social Media Engagement Tracker** featuring real-time sentiment analysis and unified brand insights on a Service Now dashboard.

JECRC as a Nodal Centre 2017, 2018, 2019 and 2020

(Shortlisted for Grand Finale at National Level)

Hackathons in JECRC in Last Eight Years

Code Warriors

The real power of coding lies not just in solving problems but in creating opportunities.

JECRC Code Warriors, established in 2019, nurtures competitive programming skills and enhances placement opportunities in MAANG, product-based companies, and startups. In collaboration with platforms like Coding Ninjas, GeeksforGeeks, and CodeChef, the club trains students across major coding platforms, leading to placements in companies such as Amazon, Adobe, HPE, ZS, and more, while building a strong foundation for premium career opportunities.

CODE-A-THON & QUIZATHON

The CSE Department organizes monthly events such as CodeAthon and Quization to promote innovation and strengthen coding, technical knowledge, and problem-solving skills among B.Tech. students.

Makerspace & Coding

Overview

JU Makerspace (JUMKS) is a dynamic, student-driven innovation and prototyping ecosystem at JECRC University, established to provide students with a platform to transform innovative ideas into tangible solutions.

Facilities & Learning Environment

- Electronics and embedded systems workstations
- Robotics and automation development areas
- IoT prototyping and testing setups
- Collaborative design and brainstorming spaces
- Tools for fabrication, assembly, and testing

RoboFusion - Collab with JIC Foundation JECRC dived into realrobotics projects, explored handson demonstrations, and experienced the kind of practical learning that truly sparks innovation. The energy, the excitement, the 'let's-build-something' vibe, everything made this session unforgettable.

Maker's Carnival

Our 6th Makers Carnival showcases student innovations blending hardware, AI, and cutting-edge tech to solve real-world challenges.

PROJECTS

Self-Driving Car	AI Mirror	Bionic Arm	Wall Plotter	AXIS CNC	Driving Simulator	Robo-Soccer	Drones & Planes
------------------	-----------	------------	--------------	----------	-------------------	-------------	-----------------

Summer with Makerspace

During Summer Vacation, JU Makerspace organized one-month workshop titled "SUMMER WITH MAKERSPACE" for new students, covering various technologies such as Python, Arduino, 3D printing, control algorithms, AI, ML, and robotics.

Build With Us

JU Makerspace conducted the "Build With Us" workshop series this year as a structured learning initiative aimed at strengthening the technical foundations of its members. The series covered key in-demand domains including **Cybersecurity fundamentals, PCB design, machine learning basics, Arduino, and 3D printing and design**, providing participants with hands-on exposure to both hardware and software workflows.

Why JU Makerspace ?

JU Makerspace provides a goal-oriented space where students develop impactful, research-driven projects with real-world relevance. Through industry and government engagement, along with opportunities for internships, competitions, and publications, it nurtures innovation, skills, and professional growth.

Major Workshops

Facilities & Learning Environment

Makers Nexus – 3D Printing and Design Workshop

FORGE Labs – Peer-Led Robotics Training

JECRC Centre for Sustainable Development Goals (JCS)

Some students attend college. Others shape what it stands for

JCS is the flagship student-led leadership platform at JECRC University that empowers change makers to drive impactful initiatives aligned with the 17 UN Sustainable Development Goals.

What We Do ?

- Lead high-impact sustainability and policy-aligned initiatives beyond campus
- Execute projects reaching 24,000+ students across 40 schools
- Work in alignment with the UN SDGs
- Collaborate with government bodies and corporate leaders
- Represent JECRC University on national platforms

Re-Spire - Flagship Sustainability Summit

- Interacted with 30,000+ students
- Competitions like Zero waste cooking challenge, Sustainable fashion, Reel-Meme, Policy Drafting Hackathon and Eco-Trace with a prize pool of INR 51,000
- Expert session during the introductory ceremony with guests comprising of ISRO Scientists, Startup founders and UN representatives
- Created and outlasting impact within & outside JECRC University

Generation Green - E-Waste Movement

- Reached 24,000+ students across 40 schools
- Collected 250+ kg of e-waste
- Recognized as an Eco-Conscious Institution by the Ministry of Education, AICTE, and OPPO India
- Largest student-led e-waste collection drive

Partnerships & Exposure

What's in it for you?

Internships and certifications with our Corporate Partners : OPPO, Salesforce, EY, 1M1B, AU Small Finance Bank Collaboration and recognition from Government Bodies: Ministry of Education, AICTE, NITIAayog.

JU Socialz

JU-Socialz is a dynamic student-driven community at JECRC University where creative minds collaborate to build skills, shape the university's digital identity, and lead impactful storytelling across platforms.

National ISRO Science Exhibition

Exploring the Cosmos, Inspiring the Future

The 4th National ISRO Science Exhibition, held at JECRC University on January 22-23, 2025, was a landmark event that brought together innovation, learning, and scientific curiosity. With participation from over 12,500 students across Rajasthan, the exhibition celebrated India's advancements in space technology and fostered young minds' enthusiasm for scientific exploration.

Distinguished Guests & Industry Leaders :

- Padma Shri Dr. A. S. Kiran Kumar, Former ISRO Chairman
- Suyash Singh, CEO of Galaxy Eye Space

Exciting Learning experience :

AI/ML Workshops | Space Hackathon | Space Quiz

Science on Wheels Exhibit | Student Rocket & Satellite Models

Rocket Launch Demonstration

Impact & Takeaways :

- Inspired future scientists and space enthusiasts with interactive sessions.
- Provided a platform for collaboration and knowledge sharing among students, academicians & industry leaders.
- Strengthened JECRC's commitment to promoting scientific inquiry and space research.

India's Young Researcher Conference (IYRC-2025)

India's Young Researcher Conference (IYRC) 2025, held on 19th to 20th November, brought together **250+ school students** from across India to present research on **Mental Wellness, Sustainability, and Innovation**. Organized with **Larsen & Toubro**, powered by **DST**, and under **NITI Aayog's Mentor India Academy**, the conference fostered research skills, critical thinking, and innovation through expert interactions and keynote sessions.

"Mentor India Academy" by NITI Aayog, IYRC-2025 brought together **250+ School students from across India**

Conference Structured **Mental Wellness, Sustainability, and Innovation**

Organized in association with **Larsen & Toubro**, powered by **DST**

Testimonials about IYRC

Ms. Pooja Pareek, Principal, Springdales School, Jaipur, shared that IYRC is an inspiring platform that encourages students to move beyond textbooks, engage in real research, and broaden their academic and career horizons.

Mr. Harman Jhala, Class XII, Adani International School, Ahmedabad, stated that IYRC is the ideal platform for school students to present and showcase their research work.

Mpower Cell

JECRC University is the first private university in India to collaborate with the **Aditya Birla Education Trust** to establish the **Mpower Cell**, an in-house counselling centre for the mental well-being of students and faculty. Inaugurated by **Ms. Neerja Birla** on 26 April 2023, the centre provides free and confidential counselling services on campus. Through mental health workshops, a peer support network, and one-on-one counselling, the initiative promotes a supportive, resilient, and mentally healthy campus environment.

Our Services includes

Adult Screening

Child Screening

Individual Counselling

Couple Counselling

Science, Technology, Engineering, Arts, & Mathematics (STEAM)

Workshop Industry-relevant Domains
Social Media Marketing, Interior Design, Jewellery Design, Innovation & Creativity

Research Culture

A core Pillar of Education

At JECRC University, research isn't just for postgraduates – it's embedded in the curriculum right from the undergraduate level.

- Students of UG Programs are encouraged to engage in project-based learning, with an option to choose research projects or industry internships in the final semester.
- All postgraduate students, except for those in engineering, undertake research in their final semester, leading to a dissertation.
- For M.Tech Programs, research is mandatory, culminating in a thesis submission

Research Promotion at JECRC

JECRC University is committed to fostering research and innovation through financial incentives and robust support for intellectual property.

- **Cash Incentives:** ₹5000 for each paper published in SCOPUS/Web of Science journals. ₹18.10 Lakh has been disbursed to more than 125 faculty members so far.
- **Patent Cost Support:** JECRC funds the entire cost of applying for patents and shares royalties if the patent is commercialized .
- **Research Grants:** Faculty and students receive incentives for securing grants from government and non-government agencies.

Dedicated Research Labs

JECRC University houses cutting-edge research facilities across multiple disciplines. These dedicated spaces foster student and faculty research that directly contributes to real-world solutions.

- **Central Research Lab** – Life Sciences (Nyay Bhawan)
- **Central Research Lab** – Simulation (Vikram Sarabhai Bhawan)
- **Central Research Lab** – Makerspace (Vikram Sarabhai Bhawan)

These labs offer state-of-the-art equipment and space for developing new ideas and solutions.

Key Research Grants and Projects

Impactful Collaboration & Major Projects

JECRC University has garnered significant support for its research projects from government and international agencies.

- **DST, Rajasthan Biotechnology Incubator:** Aimed at fostering innovative tech startups in the field of biotechnology. More than 8 startups incubated, including ventures in Herbal Tea, Biodegradable Batteries, and Herbal Medicines.
- **DST-DAAD Indo-German Collaboration:** _10 Lakhs for Indo-German collaboration focused on functionalized polymers and regenerative agents.
- **TIDE by MeitY:** ₹3.1 Crores for supporting emerging entrepreneurs through the Technology Incubation Development Program.
- **ISRO Exhibition (STEMM Initiative):** JECRC University hosted ISRO's satellite and space innovation exhibition, educating over 15,000 students on space technologies.
- **JECRC Incubation Centre The Genesis G1 Centre:** ₹12 crore granted by Ministry of Electronics and Information Technology for tech startups from Tier 2 and Tier 3 cities of Rajasthan

Research Grants Received
₹28 Cr.
from both Government and Non-Government agencies.

Office of International Affairs

Evolving Education for a Global Future

Dream Bigger. Think Global

The **Office of International Affairs (OIA)** at JECRC University is built for students who refuse to limit their ambitions to one country. We open doors to global classrooms, international cultures, and careers that travel with you-wherever you choose to go.

Study Beyond Borders

From **articulation programs and student exchanges** to **international summer/winter schools and global scholarships**, OIA transforms global aspirations into real opportunities. Here, studying abroad isn't a dream-it's a planned pathway.

When the World Comes to JECRC

Why chase universities abroad when they visit you first? Through the **International University Fair**, students connect directly with **15+ top global universities** like **Arizona State University, Hult International Business School, Illinois Institute of Technology, and Stony Brook University**, gaining first-hand guidance on admissions, visas, and scholarships.

Partnerships That Change Your Trajectory

JECRC University collaborates with **25+ international universities** including **Cardiff Metropolitan University, University of Sunderland, Teesside University, UWE Bristol, and University of West London**-creating powerful academic bridges to the world.

Adding to this, **OMNES Education Group (France)**-a prestigious network of **16+ European institutions**-engages with our students to unlock pathways to international study and global careers.

From Aspiration to Admission

Big dreams need strong support. In collaboration with **Jamboree Education**, JECRC University provides **on-campus counselling and test preparation** for **IELTS, TOEFL, GRE, and GMAT**, guiding students from ambition to admission-seamlessly and confidently.

Your World. Your Future. Your JECRC

At JECRC University, global exposure isn't an add-on-it's a mindset. The Office of International Affairs ensures that wherever your ambition takes you, you're prepared to lead, adapt, and succeed on a global stage.

Centre For Foreign Languages

From Classrooms to Global Boardrooms

What we do ?

At JECRC University's Centre for Foreign Languages, immersive and professionally designed courses in the world's most powerful languages. Whether you are looking to boost your resume, study abroad, or explore new cultures, we have got you covered. Beginner to Advanced Levels, Certified Trainers in all levels, Cultural Events, Workshops & Guest Lectures, University / Globally Certified Language Proficiency Certificates.

Program Offered :

Certificate Courses (2, 4, & 6 Months)

- French ● German ● Japanese

Collaborations & Partnerships

- Academic ● Corporate ● Cultural

Expected Outcomes

- Enhanced employability in global markets.
- Stronger cross-cultural ties & international collaborations.
- Establishing JECRC University as a hub for language and cultural studies.

Events Organized by the Centre for Foreign Languages

- **Foreign Expert Interaction - JETRO Visit to JECRC :**

This session offered students a valuable opportunity to interact with foreign experts from JETRO, gaining insights into the Japanese industry.

- **Global Samachar – International Newspaper Editor Workshop :**

An interactive workshop where students were introduced to the fundamentals of global journalism and actively engaged in creating international-style newspapers.

- **Japanese Calligraphy Workshop :**

A hands-on cultural workshop introducing students to the art of Japanese calligraphy.

Career Prospects :

Graduates from the Centre for Foreign Languages find opportunities in diverse fields such as:

- International Business & Global Trade
- Diplomacy & International Relations
- Translation, Interpretation & Localization
- Multinational Corporations & Global Placements
- Freelancing, Entrepreneurship & Language Consulting

Student Council

Serve, Lead and Inspire

The Student Council at JECRC University bridges students and administration, fostering leadership, inclusivity, and engagement. With 60 members selected from 5,000+ applicants through a rigorous process, it is committed to creating meaningful campus impact.

A Catalyst for Holistic Growth

The Student Council is thoughtfully structured into five dynamic verticals, ensuring a comprehensive and balanced approach to student representation, engagement, and development.

Abhyudaya

Abhyudaya leads social transformation by empowering underprivileged children through education and care. Driven by passionate student volunteers, it has positively impacted over 1,20,000 children, helping build a more inclusive and hopeful future.

Key Highlights :

- Rural Engagement Initiatives
- Well-Being & Learning Drives
- Student Reflection

Zarurat - The Help Beyond

For over two decades, Zarurat has empowered children with education, dignity, and opportunity, growing from a small initiative into a movement of hope led by 475 dedicated volunteers. Many students have transformed their lives through this support—such as Lokesh now pursuing B.Tech, KiranKumari in MA Final Year, KhushbooKumari in B.Sc II Year, and Krishna in BCA II Year—showcasing how timely guidance can turn challenges into success.

Aashayein - The Life Savors

Aashayein is a student-led community dedicated to service, compassion, and social responsibility, connecting young volunteers with those in need. Through initiatives like health seminars, induction drives, hospital & old age home visits, and sports days, it spreads awareness and care-proving that small, united actions can create meaningful change.

Sparsh - A Safe Space for Little Ones

Sparsh is a nurturing crèche facility at JECRC University for children aged 6 months to 4 years, offering a safe, hygienic, and stimulating environment on campus. Reflecting its meaning "gentle touch," Sparsh supports working parents—especially mothers—by enabling a healthy balance between career and parenting. With trained caregivers and age-appropriate learning and play, Sparsh reinforces the University's commitment to inclusivity, early childhood development, and a people-first campus culture.

Food Court

A Culinary Journey at JECRC

The Flavors of JECRC University

At JECRC, dining is more than just a meal—it's an experience. Our food courts serve as vibrant social spaces where students refuel, relax, and bond over delicious meals. From a quick coffee fix to diverse global cuisines, our campus offers an exciting culinary landscape tailored to every taste.

Healthy & Hygienic Meals for Every Palette

At JECRC, we believe that health is wealth. That's why all our food options meet strict hygiene standards—from the kitchen to your plate. We ensure that every bite is not only tasty but also nutritious. Whether you're a fitness enthusiast or a foodie, you'll find health-conscious options like grain bowls, fresh smoothies, and protein-packed meals that will help you stay energized throughout the day.

Food Courts

Designed to offer more than just food, JECRC's new food courts bring sleek, modern spaces with a variety of dining options. Spanning **18,000 sq. ft.**, JECRC's new fully air-conditioned cafeteria redefines campus dining. Featuring top F&B and retail brands like Domino's, Burger Singh, MotiMahal, Chai Garam, and Divine Dosa, it offers a vibrant, modern space for students & visitors alike.

Nothing Before Coffee (NBC)

More Than Just Coffee

NBC is the heartbeat of campus life, offering students a cozy atmosphere to work, relax, and connect. From quick espresso shots to slow sips of cappuccino, NBC adds a touch of elegance and energy to JECRC.

Culinary Diversity for Every Taste

JECRC's food courts bring together a variety of flavors, from Indian street food to international cuisines. Whether it's a crispy samosa or a fresh pasta bowl, there's something for every craving.

JU Hostels

Home Comforts, Hostel Vibes

No more 'missing home' moments-we've got it covered !

The perfect mix of comfort, privacy, and opportunities to create lifelong friendships. That's what JECRC University's hostels offer. Our residential facilities provide the ideal environment for students to focus on academics while building a sense of community. Offering separate hostels for boys and girls, we ensure your safety and comfort while you enjoy the vibrant community life. With spacious rooms, shared living spaces, and modern amenities, life at JECRC is both comfortable and productive.

Boy's Hostel & Girl's Hostel

- **A Cozy Retreat** : Air-conditioned, spacious rooms with wardrobes, study desks, and Wi-Fi (because who can live without it?).
- **Home Sweet Hostel** : Private rooms, communal spaces, 24/7 support, & a strong sense of security, because at JECRC, your safety is our top priority.

Rules for Admission :

- **The hostel will be allotted a minimum period of one academic year, i.e., two semesters.**
- **The hostel will only be allotted to the students for first two Academic Years (Four Semester) in all UG Programs.**
- The **Dy. Director Hostels** will allot rooms based on the applications submitted by the candidates.
- Admission and continued stay in the hostel will depend on the student's academic performance, good behavior, and conduct.
- The students shall stay in the allotted rooms. Change of rooms will be allowed only with prior permission of Director Hostels.
- **The hostellers with chronic medical problems may be asked to vacate the rooms as personal medical care by parents/guardians may be necessary. If a student is expelled/suspended from the University /Hostel for any reason, he/she shall immediately vacate the hostel on the day of expulsion/suspension from the University/Hostel. His/her continuance in the hostel will be treated as an unauthorized occupation.**
- **No refund will be made in such cases, and the outstanding fee will be recovered in full.**
- The hostellers themselves are personally responsible for safeguarding their belongings. They should not keep too much cash or valuables in their rooms, like gold, costly wristwatches, etc. They should also take care of their wallets, calculators, mobile phones, laptops and books. (Incase of theft or loss of any items it should be reported to authorities). The hostellers are advised to keep their rooms, boxes, suitcases, cupboards, etc, securely locked with good-quality locks.
- **Admission and Continuation of a student's stay in the hostel are subject to the discretion of the Hostel Administration.**
- **The fee shall be suitably revised in subsequent Years.**
- **The fee is being charged for 10 months only i.e. two semesters.**
- Students have to carry Identity Card, while going out of University main gate is compulsory. No hosteller will be allowed without Identity card.

Ambulance & Medical Facility

- 24 hours ambulance service is availability in the Hostel Premises for any emergency.
- JU dispensary working hours are 08:00 am to 06:00 PM.

Important Note : Separate hostels are maintained for boys and girls. The mess and dining facilities may be common. All students will adhere to the hostel rules which are mentioned in Prospectus and JECRC University website in detail www.jecrcuniversity.edu.in

JECRC Approved Hostels

University-Recognised Living : Thoughtfully Located

At JECRC University, students benefit from JECRC Approved Hostels that provide safe, university-recognised accommodation near campus, supporting comfort, well-being, and academic life.

- University recognition
- Strategic proximity to campus
- Student-centric living environment
- A foundation of safety, comfort, and trust

What “JECRC Approved” Represents : A Structured Approach to Student Housing

The JECRC Approved Hostels initiative at JECRC University ensures clarity, reassurance, and a smooth transition into university life through a trusted, recognised housing ecosystem.

- Clearly identified as JECRC Approved
- Accessible from campus and academic facilities
- Designed for focused, independent student living
- Aligned with the University's values of responsibility and care

Recognised Hostel Locations : Residences in Close Proximity to Campus

JECRC Approved Hostels near JECRC University are conveniently located around campus and clearly designated, ensuring comfort, authenticity, and easy identification for students and families.

- Short commute to campus
- Well-connected neighbourhoods
- Student-friendly residential surroundings

Living with Confidence : Designed for Students:Trusted by Families.

JECRC Approved Hostels associated with JECRC University offer a balanced residential experience with independence, security, and community, along with added assurance through university recognition.

- Reduced uncertainty in accommodation selection
- A trusted alternative to unverified housing
- Proximity that supports academic focus
- A living environment aligned with university life

Seasons Park (Girls Hostel)

Seasons Park is a JECRC Approved Hostel offering a comfortable and well-structured living environment for students. Located close to the University campus, it ensures easy daily access to academic facilities. The hostel supports focused student living with essential amenities and a calm residential atmosphere. It is a dependable choice for students seeking convenience & comfort aligned with university life.

Dreamer's Nest (Girls Hostel)

Dreamer's Nest is a JECRC Approved Hostel offering modern, student-friendly accommodation near the University campus. The residence supports an organised lifestyle through comfortable living spaces and shared facilities. Its location and structured environment make it suitable for students adapting to university life. A recognised option that combines convenience with reliability.

Disclaimer

The University has arranged accommodation in these external hostels solely to facilitate student housing requirements. While the University has made reasonable efforts to ensure basic suitability of these facilities, the University shall not be held liable for any loss, damage, injury, theft, disputes, service deficiencies, or any other issues arising out of or in connection with residence in these hostels.

Unique Green Meadows (Boys Hostel)

Unique Green Meadows is a JECRC Approved Hostel designed to provide a peaceful and student-centric residential experience. Its close proximity to the campus allows smooth connectivity while maintaining a quiet environment.

The hostel offers furnished accommodation suited for independent student living. It is an ideal option for those looking for balance between comfort & academic focus.

Shree Ram (Girls Hostel)

Shree Ram Hostel is a JECRC Approved Hostel known for its disciplined and practical residential setting. Situated close to the campus, it ensures easy access to academic and university facilities. The hostel provides essential amenities in a calm and organised environment.

It is a trusted accommodation choice aligned with student needs and university standards.

Diploma in Yoga & Sports Education

Program Overview

The Diploma in Yoga and Sports Education is a dynamic and interdisciplinary program designed to promote physical fitness, mental well-being, and holistic development through the integrated study of Yoga and Sports Education. This program blends traditional yogic wisdom with modern principles of sports training, physical education, and wellness management.

It prepares students to become competent yoga instructors, sports trainers, fitness professionals, and wellness advocates capable of contributing to schools, fitness centers, sports academies, and community health initiatives.

Objectives of the Programme

- To develop a strong foundation in yogic philosophy, practices and therapeutic applications.
- To impart knowledge of physical education, sports training and fitness management.
- To promote leadership, teamwork, discipline, and ethical values.
- To prepare students for employment and entrepreneurship in the wellness and sports sectors.

Programme Structure

Level of the Programme	Undergraduate Diploma (Exit Level – NEP-2020)

Exit Option	Year 1 Exit: Certificate in Yoga and Sports Education Year 2 Exit: Diploma in Yoga and Sports Education
Eligibility Criteria	Minimum 50 % aggregate marks in 10+2 or equivalent from a recognized board
Fee Structure	Rs. 90,000 per annum + 10,000 admission & alumni fees (one time)
Fee Installments	1st Installments Rs. 55,000 at the time of admission, subsequent Installment Rs. 45,000 /-
Medium	English / Hindi / Bilingual
Scholarship	Scholarships shall be awarded based on the applicant's achievements in Sports domain with final approval granted by the University Scholarship Committee/ Authorities

Career Opportunities

Graduates of the Diploma in Yoga and Sports Education can pursue careers as:

- Yoga Instructor / Yoga Trainer
- Yoga Therapist (with further specialization)
- Fitness Trainer
- Physical Education Assistant
- Sports Coach (Entry Level)
- Wellness Consultant

The programme also serves as a foundation for higher studies in Yoga, Physical Education, Sports Sciences, and Wellness Management. This diploma offers an excellent opportunity to build a rewarding career while promoting a healthy & balanced lifestyle.

JU Directorate of Executive Education

MBA (For Working Professionals)

2- YEAR REGULAR DEGREE

Hybrid Mode | Weekend Immersion

The **Directorate of Executive Education** at **JECRC University** is committed to empowering working professionals who wish to advance their careers without compromising their jobs. Our programs are designed to provide **flexible learning options**, including **weekend and evening classes, online modules, and immersive workshops**, ensuring a seamless upskilling experience.

We are pleased to announce the following programme for the **2026 intake** :

MBA (Hospital and Healthcare Management)

An MBA in Hospital & Healthcare Management equips professionals with the expertise and leadership skills required to excel in one of the fastest-growing industries. With rapid advancements, increased investments, and evolving healthcare policies, the sector offers diverse and rewarding career opportunities.

Here's why this programme is a valuable career choice:

- **Expanding Industry Scope:** The healthcare sector is experiencing unprecedented growth, driven by domestic and international mergers, acquisitions, and foreign direct investments (FDI).
- **Rising Demand for Skilled Professionals:** The increasing complexity of hospital administration, health insurance, digital healthcare solutions, and patient management has created a high demand for qualified leaders.
- **Government & Private Sector Initiatives:** Supportive policies and a steady rise in private sector investment have made healthcare one of the most dynamic and high-potential fields for career growth.
- **Diverse Career Opportunities:** Graduates can explore leadership roles in hospitals, pharmaceutical companies, insurance firms, healthcare consultancies, medical tourism, and digital health startups.
- **Attractive Salary & Career Growth:** With the right qualifications and experience, professionals can advance to roles such as Hospital CEO, Healthcare Consultant, Operations Manager, Health Policy Analyst, or Digital Health Strategist.

An MBA in Healthcare Management provides a pathway to senior leadership, allowing professionals to drive innovation and transformation in the industry while making a meaningful impact on society.

Eligibility Criteria :

Graduation in Medicine or Allied Disciplines (MBBS, BDS, BHMS, BAMS, Pharmacy etc.) from a recognized University with a minimum of 50% marks.

OR

Graduation in any other discipline from a recognized University with a minimum of 50% marks, along with at least 2 years of supervisory work experience

Fees : Rs. 75,000 per semester

Selection Procedure :

Merit list will be generated on the basis of Personal Interview.

The Guides and Mentors:

Our faculty members are not just educators but seasoned healthcare professionals and industry leaders shaping the future of hospital and healthcare management. With extensive experience in hospital administration, healthcare policy, digital health innovations, and strategic management, they bring practical insights and real-world expertise into the classroom, ensuring a seamless blend of theory and applied learning.

More disciplines may be added subject to availability of resources.	Admission & Registration Fee Rs. 25000/- (One Time) Tuition Fee Per Year Rs. 50000/- Thesis Evaluation Fee Rs. 40000/- (one time)	Master's Degree (Related Discipline) with minimum 55% marks from a recognized University

Build your World..

Important Note :-

- One-time Alumni & Admission Fee of Rs. 10,000/- (non-refundable) will be charged at the time of admission along with the first installment for all courses.
- 5% Relaxation in eligibility shall be permissible in all UG/PG/Ph.D. programs for candidates belonging to the SC/ST/Rajasthan State OBC (Non-Creamy Layer) and Women categories.
- Application form fee is not refundable in any case of all programs.

SCHOLARSHIP SCHEME NEW STUDENTS ACADEMIC YEAR 2026-27

The University offers Scholarships to all eligible students on the basis of marks as per following criteria :

S. No.	Type of Scholarship / Free ship	Scholarship Criteria	Eligible Degree Programmes	Amount as percentage of Tuition Fee
1	Merit Scholarship	70% to 84.99% Aggregate Marks in 10+2 Exam	All UG Programs	15%
2	Merit Scholarship	85% and Above Aggregate Marks in 10+2 Exam	All UG Programs	25%
3	Merit Scholarship	JEE (Mains) 2026 Percentile Score 75 to 89.99 (General Category)	All B.Tech. Programmes	15%
4	Merit Scholarship	JEE (Mains) 2026 Percentile Score 90 & above (General Category)	All Btech. Programmes	25%
5	Merit Scholarship	CAT 2025 Percentile Score 40 to 59.99	MBA Programs	15%
6	Merit Scholarship	CAT 2025 Percentile Score 60 & above	MBA Programs	25%
7	Additional Scholarship on the basis of NCC 'A' Certificate/ Alumni/ Sibling/ JU Employee/ Single Mother/ Single Girl Child / War Widow/ Father from Ex-Services/ Para- Military Forces Killed in action/ Sports Medalist at minimum State level Tournament conducted by Federation Recognized by Indian Olympic Association (Any one Scholarship shall be given subject to produce relevant documents)		All Programs	10% (only one time)

- Only one Scholarship shall be given from S.No. 1 to 4 above whichever is higher.
- To Continue Scholarship, it will be mandatory to Score Minimum 8.0 CGPA and 75% Attendance in all courses (Theory/ Lab/ Project/ Seminar etc. in the previous Academic Year in both the Semesters), No Compartment in any semester.
- Apart from CGPA and Attendance Requirement for continuation of Scholarship from Second Year onwards, the Scholarship shall be withdrawn if a student is found involved in act(s) of indiscipline; found guilty and given punishment including written warning. In such a case, the withdrawn Scholarship shall not be restored even if the student meets CGPA and Attendance Requirement in future.

Only one Scholarship shall be given from S. No. 1 to 4 above whichever is higher. Candidates shall be required to pay other fees as applicable for the programme concerned. Such students shall be required to maintain a minimum CGPA (SGPA in 1st semester) of 8.0 in the first and subsequent semesters without having any compartment in any subject and a minimum of 75% attendance in each subject, failing which the Scholarships awarded shall be withdrawn. The review of the Scholarship shall be conducted at the end of even semester every year. If Scholarship of an admitted student has been withdrawn due to non-compliance of the minimum requirement as above, the same may be restored after the review at the end of next even semester, provided the student meets the minimum maintenance criteria of 8.0 CGPA and 75% attendance in each course during the review period. It must be noted that no relaxation in terms of minimum Scholarship maintenance criteria shall be granted. For example if a student gets CGPA of 7.99 or lower or attendance in any of the subjects equal to or less than 75% shall lose the Scholarship. Even if a student has been allowed to appear in term end examination by relaxing the attendance of minimum 75% in a particular course, she/ he shall not be allowed to get the benefit of continuation of scholarship.

Other Conditions:

Candidates who are availing any kind of financial assistance from Government or any other private organizations for educational support are not entitled for JECRC University Scholarship. The University can discontinue the Scholarship scheme at its own discretion. The final decision of awarding of Scholarship will be taken by the appropriate bodies of the University.

Important Instructions for Prospective students- Submission of Application for Admission-2026

The admissions process at JECRC University is designed to be simple, transparent, and student-friendly. We aim to provide clear instructions & guidance throughout the application process, ensuring a smooth transition into your academic journey.

Applications for admission shall be submitted online at the University website, www.jecrcuniversity.edu.in, for which an application fee of **Rs. 1000/-** is payable for all programs and **Rs. 1500/-** for the Ph.D. Program. Payment can be made online at the time of submission of the application. Once the online admission application is submitted successfully, the system will generate a unique application number, which the candidates may note. The number shall act as a Reference Number for all subsequent correspondence until the candidate is actually admitted.

Notification of Schedule for Physical Counseling for Admission

Look for notices/alerts by clicking the 'Admission Notices/ Alerts' Tab on the home page of the JECRC UNIVERSITY website. Students are advised to keep checking their registered email ID for counseling mail. Schedule for Physical Counseling for Admission and other related information will be available on the website at the link : www.jecrcuniversity.edu.in

Physical Counseling for Admission

It is mandatory for the candidates to appear in person for physical counseling for admission before the Admission Committee. The Candidate must bring the following documents in original along with one set of self-attested photocopies there of :

- 10th Marksheet
- 12th Marksheet
- Graduation Mark Sheet (for admission to PG Program)
- Post-Graduation Mark Sheet (for admission to PhD Program)
- Migration Certificate
- Character Certificate from the Institution last attended.
- Caste Certificate (if seeking relaxation in minimum eligibility criteria)
- Affidavit for Gap Year(s), if applicable
- Copy of Aadhar Card
- 4 passport-sized colored photographs in formal dress.
- Proof of APAR ID

On the day of physical counseling, candidates shall report to the Registration Desk, arrange documents in the specified sequence in the file cover given on the spot, appear before the Document Verification Committee for document verification, and move to the Admission Committee if found eligible.

The Admission Committee shall allot the seats to the Candidates in order of merit subject to their availability, and the candidates shall be required to deposit the fee on the spot either through Demand Draft/ Credit/ Debit Card or Online Payment through the University ERP Portal. The seat shall be deemed to be allotted only upon submission of the fee. If a candidate fails to deposit the fee on the spot, the right to admission shall be forfeited, and the seat shall be offered to the candidate next on the merit list. If a candidate reports late for admission on the designated day and time, he/she will be offered the seat available at the time of his appearance before the Admission Committee. All Candidates are advised to report on the day of physical counseling in formal and presentable dress, as a fresh photograph may be required to be taken on the spot. The university shall not retain original documents except Transfer / Migration Certificates once the same has been verified by the Admission Committee. All students admitted in various programs shall collect their original testimonials/certificates at the time of allotment of seat against acknowledgment. All such students are also advised to refer to the JECRC UNIVERSITY Website for further instructions, if any. The Admission Committee shall ensure the allotment of seats purely on merit. Canvassing of any kind may result in denial of admission.

Policy for Withdrawal and Refund of Fees

Candidates may withdraw their admission by submitting an Application Form in person along with an original copy of the receipt of the fee deposited to the Office of the Registrar through the Deputy Registrar (Academics) in the Admin Block, for which he/ she must obtain an acknowledgment. The fee deposited by such a candidate shall be refunded as per UGC guidelines applicable for the AY 2026-27. In such cases, the refund of the fee shall be made within one month after the final cutoff date of admission through Cheque/NEFT in favor of the Candidate only and sent to the address for correspondence through recorded delivery. A student admitted to the University shall be required to pay a fee for the entire duration of the course on an annual basis in two installments

Summer Semester/ Detained Fee

If a student is detained on account of non-compliance of attendance criteria in any coursethey shall not be allowed to appear in the term-end examination. He/she shall be required to register for that detained course on SWAYAM Portal after taking written approval from the HOD concerned. If the same course is not available on SWAYAM, HOD may assign a relevant course. Students shall submit proof of having earned the Credits from the Host Institution. The number of Credits earned, and the procedure for registering courses on the **SWAYAM** Portal shall be governed by the JECRC University guidelines as applicable from time to time. One Credit shall be awarded for 4-Weeks course and multiple there of. Alternatively, if it is not possible to take course on SWAYAM Portal and in exceptional cases, the students may be allowed to register during summer semester for which Fees payable shall be as under:

1. For B. Tech and MBA Programmes :

Rs. 15000/- Per Theory, and Rs.7500/- Per Lab Subject

2. For all other Programmes except B. Tech and MBA:

Rs. 7500/- Per Theory / Lab Subject.

For further information / guidance, please contact the concerned HOD.

It is made clear that if a student leaves the programme of study in between without completing it for any reason, he/ she will be liable to pay fees for the balance duration of the programme as well, as per directions of the Hon'ble Supreme Court of India in Islamic Academy of Education Case and other Laws of the Land. No correspondence with respect to refund of fee against withdrawal shall be entertained until and unless it is in reference to acknowledgment No. and Date given by the Deputy Registrar (Academics) at the time of receipt of the Withdrawal Application, along with the original receipt of the fee deposited. If a student who has enrolled in a hostel or availed of a transport facility withdraws from the same, the fees will be refunded as per the Withdrawal Policy given henceforth. These rules are only for first-year students, and no refund will be made in case a student leaves after the cutoff date of admission for the first year.

Schedule of Payment of Fees

First Year		Subsequent Years	
1st Installment	At the time of admission	1st Installment	On or before 15 th April of the Calendar Year
2nd Installment	On or before 15th November 2026	2nd Installment	On or before 15 th Nov. of the Calendar Year
Note: It is made clear that Annual Fees is payable in two installments as above and it has no bearing with the commencement of Semester and declaration of Semester Results.			

Late Fee Payment

Those students who fail to deposit fees by the due date shall be levied a fine of Rs. 500/- per day, including Sundays / Holidays up to 10 days. The names of those students, who fail to deposit the fee with a requisite fine within 10 days from the due date, as mentioned above, shall be struck off from the rolls of the University immediately thereafter. However, such students may be re-admitted with the approval from the Dean / Director of the School concerned after they deposit Rs. 5000/- as re admission charges along with the fees and fine of Rs. 5000/-. The period during which the name of the student remains struck off will not be treated as the inactive period for the purpose of calculation of attendance requirement. If the last date of submission of the fee happens to be a holiday, the next working day shall be counted as the last date of submission of the fee for the purpose of a late fee.

No separate notice for depositing fees shall be issued, and it shall be the responsibility of the students and their parents to deposit the fees by the specified last date above.

Instructions for Curbing Ragging

JECRC University, the Ministry of Education Government of India, and the University Grants Commission have zero tolerance for any activity that is considered ragging as per the Law of the Land. A special website, namely www.antiragging.in, has been established to make students and parents aware of the fallouts of students in higher education institutions who indulge in ragging activities. Ministry of Education has notified a document titled, "Information Education Communication (IEC) Guidelines For Councils, Universities & Colleges Curbing the Menace of Ragging," the web link of which is given under: <https://www.antiragging.in>

How to Use the UGC Ragging Prevention Program Portal ?

It is a simple procedure comprising 3 steps.

Step 1: Log on to www.antiragging.in or www.amanmovement.org Click on the button titled-On Line Affidavits.

Step 2: Fill in the information as desired and submit the form.

Step 3: On successful completion, you will receive affidavits, both for Students and Parents, through E-mail. If you do not have an E-mail address, please create one before you log in. If your parents do not have an E-Mail/Mobile/ Landline Phone number, please do not panic. You can give those to your friends or relatives. There is absolutely nothing to worry about. If you make a mistake while submitting your form, you can start afresh and submit the information again. It is a straightforward process.

As per the latest UGC guidelines, the students admitted must mention the Anti-Ragging Undertaking Reference Number generated from the Anti-Ragging Portal in the Admission Form. It is absolutely clear that UGC Regulations/ Guidelines and the Law of the Land shall apply to students as amended from time to time.

National Anti-Ragging Helpline No. 1800-180-5522

University Rules & Code of Conduct

University Rules, including the Code of Conduct and Discipline Policy, are available on the university's website. Students are required to follow the university's rules and regulations in all aspects. Visit www.jecrcuniversity.edu.in for details.

P.S: The contents of the Admission Brochure are subject to change without prior notice. All disputes pertaining to admission under the domain of Admission Brochure are subject to the jurisdiction of Courts at Jaipur, Rajasthan only.

- Minimum **75% attendance** is mandatory in each course/subject in all semesters; otherwise, the student will be detained.
- A **maximum relaxation of 10%** may be granted on valid grounds with approval from concerned authorities.
- Medical relaxation requires submission of relevant documents **within 7 days of hospital discharge**.
- Participation in approved academic, cultural, sports, NCC/NSS, and similar activities is encouraged with prior approval.
- Students assigned official duties will be treated as **on duty**, but no relaxation beyond 10% is allowed.
- Attendance is counted from the **date of commencement of classes or date of admission** (or revocation, if applicable).
- Change of degree program is permitted **only till final cutoff date**, with fee adjustment and **₹500 for new ID card**.
- Requests after final cutoff will be governed by University Regulations.
- **Mass cut fine:** ₹50 per period; ₹200 for full day.
- Detained students cannot appear in end exams and must repeat the subject in summer semester or complete an approved **SWAYAM** course.
- Names of detained students will be announced **4 days before examinations**; appearing by default makes the result null and void.
- Attendance details are available on the **ERP Portal**; no separate shortage intimation will be given.
- Students must maintain **discipline and proper conduct** on and off campus.
- The University has **zero tolerance** for indiscipline, including drugs, violence, ragging, or property damage.
- Boarders/hostellers must follow **Hostel and Mess rules**; violations may lead to strict action including suspension/rustication.

Mandatory requirement of bringing Laptops by students in specified degree programs

Students of **B.Tech.,B.Des., BVA, BCA, MCA, BBA, MBA, M.Des.,** and **MVA** must bring their own laptops for lab and related work. Students without laptops will not be allowed to attend lab classes and will be marked absent. They must complete pending lab work at home for evaluation in the next class. Students of other UG/PG programs are also encouraged to bring laptops to enhance learning.

General Instructions

Any incorrect or false information in the application form will invite strict action by JECRC University. If admission is granted based on such information, it will be cancelled and all fees paid will be forfeited, along with any further action deemed appropriate by the University.

- JECRC University presently follows the reservation policy as follows: NRI/Foreign National /PIO seats: 15% in all programs / courses.
- General Seats: 85%.
- All fees through Demand Draft are payable in the name of 'JECRC University' only.
- The mere inclusion of a candidate's name in the merit list would not ensure his / her admission. The candidate would be required to prove his / her eligibility for admission by providing original and genuine documents in support of the claims made.
- The admission made by JECRC UNIVERSITY shall be provisional until the Registration Branch of the University confirms the same.
- If a candidate's character, conduct, or antecedents are found unsatisfactory, the University may deny or cancel admission. The President/Dean may also cancel admission of any student involved in activities that disturb discipline or campus harmony.
- The University has a streamlined method of redressal of grievances. The Grievances Redressal Committee addresses all kinds of grievances, including admissions, examinations, conduct on the campus, etc., on top priority.
- The University has an Internal Complaints Committee to address sexual harassment cases on priority. Students must follow all rules, maintain discipline and decorum, failing which appropriate disciplinary action will be taken.
- Canvassing in any form to influence the admission by any candidate and/or his / her parents/guardians would result in his/ her summary rejection for admission.
- The admission procedure is subject to modification, without notice, as per directions of UGC or any competent authority.
- The final cutoff date for admission to all the courses is 31st August 2026, which may be extended, if required, per UGC guidelines and/or other concerned statutory council /Government.
- For PG programs, candidate may be admitted provisionally subject to fulfillment of minimum eligibility criteria on or before 31st October, 2026.
- Admission and Academic Calendars shall be available on the University Website.
- All applicants are instructed to follow the JECRC UNIVERSITY website on a regular basis for the date of counseling and other details related to the admission process.
- The contents of the Admission Brochure are subject to change without prior notice. All disputes pertaining to admission under the domain of Admission Brochure are subject to the jurisdiction of Courts at Jaipur, Rajasthan only.
- Course / Program will not change after the Session commencement.
- The scholarship is not applicable for Transfer / Lateral Admission in any course.
- At any stage if you are found ineligible of any discrepancy, your admission shall be cancelled.
- Merit scholarship / Eligibility for a particular program will be calculated on the basis of over all subjects appeared by the candidate in the qualifying exam.
- One time alumni & admission fee Rs. 10000/- (non-refundable) is applicable at the time of admission with first installment in all courses.
- 5% Relaxation in eligibility shall be permissible in all UG/PG programs to the candidates belonging to SC / ST/ Women Category / Rajasthan State OBC Non-Creamy Layer.
- Form can be filled online website www.jecrcuniversity.edu.in (cost of form of Ph.D. Rs. 1500/- and of UG/PG Rs. 1000/- which is non refundable or transferable in any case.
