Eligibility and relaxations: As per the UGC Guidelines.

Admissions to the Ph.D. Programme will be based on the merit of the Entrance Test followed by an Interview. Candidates must secure a minimum of 50% marks in the Entrance Test to be eligible for the Interview. The final merit will be determined with a weightage of 70% for the Entrance Test and 30% for the Interview. The Interview schedule will be announced after the declaration of the Entrance Test results. Candidates exempted from the Entrance Test, as per UGC Regulations, will also be required to appear for the Interview.

As part of the interview process, each candidate is required to present a **Research Plan**. Candidates are advised to prepare a concise, well-structured presentation that clearly demonstrates the significance, originality, and feasibility of the proposed research work.

For the preparation of the Research Plan, candidates may seek academic guidance and consultation from any of the available research supervisors in the relevant department. To facilitate this process, candidates are advised to refer to the link- https://research.jecrcuniversity.edu.in/research_supervisor, which contains the detailed list of research supervisors along with their respective areas of expertise and research specialization.
